25 ¹Although Defendant filed his motion *ex parte* and under seal, the Court does not seal this
26 order or issue it *ex parte*. Defendant submits that he has already received copies of the requested
27 documents from the United States, but found them illegible. Defendant further submits that he asked
28 the United States to inspect the original documents, but the United States did not have them in its
possession, necessitating the instant motion. As a result, Defendant has submitted no information
that is unknown to the United States or should otherwise remain under seal.
